# Southwest Florida Archeological Society

P.O. Box 9965 Naples, Florida 33941

WANT TO GET DOWN AND GET DIRTY, AND THEN PUT YOUR OAR IN A NEW POND? We have a double date coming up September 11 (Tuesday night). Start your evening with an artifact sorting session at John Beriault's, 3550 Bolero Way, beginning at 5:30 p.m., then follow other interested S.W.F.A.S. members to the joint meeting of the Naples Canoe Club, at Coast Federal Savings & Loan, beginning at 7 p.m.

A JOINT CANOE TRIP sponsored by Naples Canoe Club/ S.W.F.A.S will take place Sunday, September 30. Members meet at B&B at 6 a.m. with own canoeing arrangements, insect repellent, sunscreen, hat, longsleeved shirt, sturdy, waterproof shoes, food and liquid refreshments. The trip will follow the Turner River from 4] through Chokoloskee Bay. For more information, call Mark Benedict, 263-4630 evenings.

SORTING AND ANALYSES SESSION at John Beriault's house, Saturday Sept.8, beginning at 10 a.m. We're working on Addison Key and Cocohatchee River material, and finding a lot of interesting material to analyze, including tools such as bone points, etc.

DIG AT THE WORLD FAMOUS LEISEY PIT WITH FRANK GARCIA ----- This site, located south of Tampa, continues to yield the remains of saber tooth tigers, bison, camels and other 2 million year old critters, but may be lost soon to the bulldozer. You can help salvage this valuable discovery which needs people every day except Sunday. A membership fee and disclaimer may be necessary to participate, but for a once in a lifetime experience, call Charles Strader at 992-6133 for more details.

OUR FLORIDA STATE MUSEUM FIELD TRIP is now planned for October. Come to the September meeting or read your newsletter for a firm date.

OUR AUGUST SWFAS MEETING HAD EXCELLENT ATTENDANCE due to the evening speaker's presentation of our trip to the Yucatan with David Washburn. Only wish I could have seen John's slides, as they must have been beautiful. The list of attendance had many visitors upon it, all of whom I am sending a newsletter, with apologies if I spell your name incorrectly, as some of the names were hard to read. Minutes consist of the activities announced above, treasurer and secretaries reports passed as read. There were no motions passed.

THIS MONTH'S MEETING will feature RON JAMRO as speaker. Ron is director of the Collier County Museum. Our meeting date is Sept. 20, 7:30 p.m., at First Federal Savings & Loan of Ft. Myers on the north Trail.

INFORMATION GLEANED FROM "A Guide to National Register Sites in Florida" produced by the Bureau of Historic Preservation, Florida State Division of Archives, History and Records Management....Collier County has nine national register sites, including, of course, Palm Cottage & the Depot in Naples, and Ted Smallwood's Store in Chokoloskee, but also two in the vicinity of Miles City (Miles City?) and the rest in the Ochopee-Carnestown area. John, have you been holding out on us?

HOPE ALL OUR MEMBERS, BOTH HERE IN TOWN AND AWAY, ARE ALL HAVING AN EXCELLENT SUMMER!!!!

Respectfully submitted,  
Barbara Kay Logie, Sec'y
