NOVEMBER, 1984 NEWLETTER

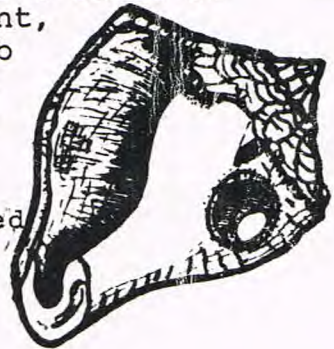

"ABORIGINAL POTTERY TYPES OF SOUTHWEST FLORIDA" will be the evening presentation at our next regular meeting on Thursday, November 15, 7:30 p.m., First Federal Savings & Loan of Ft. Myers, on the North Trail. For those members who have seen John Beriault's previous presentation on the subject, he has added a great deal to both his discussion and his slide presentation, and it's well worth a second viewing!
